CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a white crosshair. The left half of the image shows a brain section with a prominent, bright blue fluorescent signal in the central region, which is identified as the CA1 area. The right half of the image shows a similar brain section but with a much dimmer, uniform blue signal. The text 'ABA:67815935' is located in the top left corner, and 'CA1' is in the bottom left corner.
