

ABA:67978673

CPu lateral

The image displays a coronal cross-section of a brain. A specific region in the left hemisphere, identified as the lateral CPu, is highlighted in a bright blue color, indicating a point of interest or activation. The rest of the brain tissue is shown in a darker blue. A white crosshair is overlaid on the image, with the vertical line passing through the highlighted area. The text 'ABA:67978673' is located at the top left, and 'CPu lateral' is at the bottom left.
