

ABA: 68158082

CA2/CA3

This is a fluorescence microscopy image of a brain section, specifically highlighting the CA2/CA3 region. The image is characterized by a dark background with a central area of blue and cyan fluorescence. A prominent, bright yellow-green spot is visible in the upper-left quadrant of the fluorescent area. The image is overlaid with a white grid consisting of a vertical line and a horizontal line that intersect in the center. The text 'ABA: 68158082' is located in the top-left corner, and 'CA2/CA3' is in the bottom-left corner.
