A anterior

An axial MRI scan of a human brain. The image shows a cross-section of the brain with a red overlay on the central region, likely representing a specific anatomical structure or area of interest. The brain is oriented with the anterior side at the top. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the middle. The text 'ABA:68203481' is located in the top left corner, and 'A anterior' is located in the bottom left corner.
