

ABA : 68269035

VA/VL

This image is an axial brain scan, likely a PET or SPECT scan, showing a cross-section of the brain. The image is divided into four quadrants by a vertical and a horizontal white line. The left side of the image (patient's right) shows a focal area of increased activity, indicated by a bright cyan spot. The rest of the brain shows a uniform, low-level blue activity. The text 'ABA : 68269035' is located in the top left corner, and 'VA/VL' is in the bottom left corner.
