

ABA: 68269291

VMH

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant shows a bright, curved, yellowish-green structure, likely the ventral medial hypothalamus (VMH), which is the region of interest for the ABA staining. The rest of the brain section, including the top-right, bottom-left, and bottom-right quadrants, appears dark blue, indicating low or no fluorescence. The text 'ABA: 68269291' is in the top-left corner, and 'VMH' is in the bottom-left corner.
