Arc

The image displays a coronal cross-section of a brain. A vertical white line runs down the center, representing the midline. A horizontal white line is positioned near the bottom of the image, labeled 'Arc' in the bottom-left corner. A blue, irregularly shaped region is highlighted on the left side of the brain (viewer's left), extending from the top to the bottom. The label 'ABA: 68342153' is located in the top-left corner.
