

ABA: 68342159

LH

A blue brain scan image, likely a PET or SPECT scan, showing a cross-section of a brain. The image is divided into four quadrants by a vertical and a horizontal white line that intersect at the center. The brain tissue is represented in shades of blue, with some brighter areas indicating higher activity or concentration. The label 'ABA: 68342159' is positioned at the top left, and 'LH' is at the bottom left.
