

ABA: 68441616

SCN

The image displays a coronal section of a brain, likely from a rodent, with a blue-stained region. A vertical line and a horizontal line intersect at the center of the brain. The text 'ABA: 68441616' is located in the top left corner, and 'SCN' is in the bottom left corner. The blue staining is concentrated in the upper part of the brain, with a small, bright yellow-green spot near the top center.
