

ABA: 68667168

VA/VL

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly blue, with a central cluster of brighter cyan and white pixels indicating areas of increased activity or concentration. The image is overlaid with a white grid consisting of a vertical line and a horizontal line intersecting at the center. The text 'ABA: 68667168' is located in the top left corner, and 'VA/VL' is located in the bottom left corner.
