

ABA: 68667551

CA2/CA3

This fluorescence microscopy image displays a brain section with ABA staining. The image is divided into four quadrants by a white crosshair. The staining is predominantly blue, with several bright yellow and green spots indicating areas of high intensity. These spots are located in the upper left, upper right, and lower left quadrants. The lower right quadrant shows a more uniform blue staining. The text 'ABA: 68667551' is in the top left, and 'CA2/CA3' is in the bottom left.
