

ABA: 6866772

VMH

This is a fluorescence microscopy image of a brain section. The image is divided into two main regions by a vertical white line. The left region shows a complex, multi-colored pattern of fluorescence, with a prominent yellow and green area in the center, suggesting high levels of signal. The right region is predominantly blue, indicating a lower level of fluorescence. A horizontal white line intersects the vertical one, creating a crosshair. The text 'ABA: 6866772' is in the top left, and 'VMH' is in the bottom left.
