CA1

This image is a fluorescence micrograph of a brain section, likely from a rodent, showing the CA1 region of the hippocampus. The image is characterized by a blue background with a bright, horizontal band of fluorescence in the center, indicating a specific area of interest. The image is overlaid with a white grid consisting of two vertical and one horizontal line. The text 'ABA: 68844092' is located in the top left corner, and 'CA1' is in the bottom left corner.
