

ABA: 68844349

SPa dorsal

The image displays a circular field of view, likely from a microscope, with a blue background. A bright cyan spot is visible in the lower-left quadrant, and a smaller, dimmer blue spot is located in the upper-right quadrant. The image is divided into four quadrants by a vertical and a horizontal white line. The text 'ABA: 68844349' is in the top-left corner, and 'SPa dorsal' is in the bottom-left corner.
