

ABA: 68845759

S0

A blue brain scan image, likely an MRI or PET scan, showing a cross-section of a brain. The image is overlaid with a white grid consisting of two vertical lines and one horizontal line. The text 'ABA: 68845759' is in the top left, and 'S0' is in the bottom left. The brain tissue is represented in shades of blue, with some brighter areas indicating higher intensity or activity.
