

ABA: 68924545

DM

A coronal cross-section of a brain. A large, irregularly shaped region in the upper half of the brain is highlighted in a solid blue color. This region is roughly symmetrical about the midline but has some internal asymmetry. The rest of the brain slice is black. A white crosshair is centered on the image, with a vertical line and a horizontal line intersecting at the center. The text 'ABA: 68924545' is in the top left corner, and 'DM' is in the bottom left corner.
