

ABA: 69059822

CA1

This is a fluorescence microscopy image of a brain section. The image is predominantly blue, indicating the presence of a fluorescent signal. A vertical white line runs down the center of the image, and a horizontal white line runs across the middle. The text 'ABA: 69059822' is located in the top left corner, and 'CA1' is located in the bottom left corner. The blue signal is concentrated in the lower-left quadrant, with a bright, elongated spot near the bottom edge. There are also some smaller, less intense blue spots in the upper-left quadrant.
