

ABA: 69079986

OB anterior

The image displays a brain scan, likely a PET or SPECT scan, showing two distinct, blue, lobulated regions of activity. These regions are positioned symmetrically on either side of a central vertical line. The background is black, and the image is overlaid with a white crosshair consisting of a vertical and a horizontal line. The text 'ABA: 69079986' is located in the top left corner, and 'OB anterior' is in the bottom left corner.
