This is an astronomical image of a galaxy, likely a spiral galaxy, shown in a blue color scale. The image is centered on a black background. A white crosshair is overlaid on the image, with the vertical line passing through the center of the galaxy. The galaxy's structure is visible as a bright, irregular blue region with some internal structure, possibly indicating spiral arms or a central bulge. The text 'ABA: 69080016' is in the top left, and 'Pa' is in the bottom left.
