

ABA: 69113835

OB anterior

The image displays a brain scan, likely a PET or SPECT scan, showing two distinct, blue, lobulated structures. These structures are positioned symmetrically on either side of a central vertical line, which appears to be the midline of the brain. The background is black, and the structures are highlighted in a vibrant blue color. The text 'ABA: 69113835' is located in the top left corner, and 'OB anterior' is in the bottom left corner. A horizontal line also crosses the image, intersecting the vertical line and the blue structures.
