

ABA: 69113853

ventral S

The image is a brain scan, likely an fMRI or PET scan, showing a cross-section of the brain. The brain is represented by a blue, textured area against a black background. A vertical white line runs down the center, and a horizontal white line runs across the middle. In the lower-left quadrant, there is a small, bright yellow and orange spot, indicating a region of high metabolic or functional activity. The text 'ABA: 69113853' is located at the top left, and 'ventral S' is at the bottom left.
