

ABA: 69133773

SPa ventral

A fluorescence microscopy image showing a large, irregularly shaped, blue-stained structure, likely a cell or tissue, against a black background. The structure is divided into two main lobes by a vertical line. A small, bright blue spot is visible near the bottom left corner of the left lobe. The text "ABA: 69133773" is in the top left, and "SPa ventral" is in the bottom left.
