

ABA: 69169355

CA1

This image is a fluorescence microscopy scan of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a complex, multi-colored pattern of fluorescence, primarily in shades of blue and green, with some yellow and red spots. The right half of the image is a solid, uniform blue. The text 'ABA: 69169355' is located in the top left corner, and 'CA1' is located in the bottom left corner.
