

ABA: 69236646

SCN

The image displays a brain scan with two prominent, blue, lobulated regions. These regions are positioned symmetrically on either side of a central vertical line. The left region is associated with the label 'ABA: 69236646' in the top-left corner, and the right region is associated with the label 'SCN' in the bottom-left corner. The background is black, and the regions have a textured, almost organic appearance.
