

ABA: 69236861

VMH

A coronal brain slice is shown with a blue highlighted region in the medial prefrontal cortex (vmPFC). The brain is oriented with the anterior side at the top. A vertical white line and a horizontal white line intersect at the center of the brain. The blue region is located in the medial prefrontal cortex, which is the area of the brain involved in decision-making and social behavior. The label 'ABA: 69236861' is in the top left corner, and 'VMH' is in the bottom left corner.
