

ABA: 69262302

A anterior

This is a PET scan image of a brain slice. The image shows a cross-section of the brain with a color scale ranging from dark blue (low activity) to light blue/white (high activity). A prominent focal area of increased activity is visible in the left hemisphere, near the center. The image is overlaid with a white grid. The text 'ABA: 69262302' is in the top left, and 'A anterior' is in the bottom left.
