S0

A blue brain scan image, likely an axial slice, showing a cross-section of a brain. The image is predominantly blue with some lighter blue and white highlights indicating areas of higher intensity or activity. A vertical white line runs through the center of the brain, and a horizontal white line intersects it near the bottom. The text 'ABA: 69288321' is located in the top left corner, and 'S0' is in the bottom left corner.
