Arc

The image displays a brain scan with a color-coded intensity scale. A prominent yellow and orange region is visible at the bottom center, indicating a localized area of high activity or concentration. This region is surrounded by a larger area of blue, which represents lower intensity. The overall shape of the brain is visible, with the central region being the most active. The text 'ABA: 69352834' is located in the top left corner, and 'Arc' is in the bottom left corner. A vertical line runs down the center of the image, and a horizontal line runs across the middle, intersecting at the center of the brain.
