

ABA: 69407600

S0

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly black, with a large, irregularly shaped blue region in the center, indicating areas of increased metabolic activity or blood flow. The blue region is more intense in some areas, particularly on the left side of the image. A white grid is overlaid on the image, with a vertical line running down the center and a horizontal line running across the middle. The text 'ABA: 69407600' is located in the top left corner, and 'S0' is in the bottom left corner.
