

ABA: 69527968

CA1

A brain scan image, likely an MRI, showing a cross-section of the brain. The image is predominantly black, with a large, irregularly shaped blue region in the center, representing a specific area of interest. The blue region is roughly circular but has some internal structure, including a darker blue vertical strip in the middle. The image is overlaid with a white grid consisting of two vertical lines and one horizontal line. The text 'ABA: 69527968' is in the top left corner, and 'CA1' is in the bottom left corner.
