

ABA: 69672575

Arc

The image is a brain scan, likely a PET or SPECT scan, showing a coronal cross-section of a brain. The image is predominantly blue, with a vertical white line down the center and a horizontal white line across the middle. The text 'ABA: 69672575' is in the top left, and 'Arc' is in the bottom left. The scan shows a central region of high activity, indicated by a bright yellow-green spot, surrounded by a larger area of blue. The overall shape of the brain is roughly oval, with some internal structures visible as darker blue areas.
