The image displays two coronal brain slices side-by-side, separated by a vertical white line. The left slice shows a blue-colored brain with a prominent, bright blue vertical band of high intensity along the left side of the image. The right slice shows a similar blue-colored brain but with a more uniform, lower-intensity distribution. Both slices are set against a black background. A horizontal white line runs across the middle of the image, intersecting the vertical line. The text 'ABA: 69672742' is located in the top-left corner, and 'Pn' is in the bottom-left corner.
