

ABA: 69735634

SPa ventral

The image shows two blue, textured brain hemispheres positioned side-by-side on a black background. A thin vertical white line separates the two hemispheres. A thin horizontal white line crosses the middle of the image, passing through both hemispheres. The text 'ABA: 69735634' is located in the top left corner, and 'SPa ventral' is located in the bottom left corner.
