

ABA: 69782784

M

The image is divided into two panels by a vertical line. The left panel shows a bright, elongated, and slightly curved source with a yellow-green core, surrounded by a diffuse blue glow. The right panel shows a uniform, solid blue field. A horizontal line crosses both panels near the bottom. The text 'ABA: 69782784' is in the top left, and 'M' is in the bottom left.
