

ABA: 69817444

OB anterior

A fluorescence microscopy image of a brain section. The image shows two distinct clusters of blue fluorescent signal, likely representing a specific cell population or protein expression. A horizontal line and a vertical line intersect at the center of the image, dividing it into four quadrants. The text 'ABA: 69817444' is located in the top left corner, and 'OB anterior' is in the bottom left corner.
