

ABA: 69873463

MVe

The image displays a 2D spatial distribution, possibly a galaxy or nebula, overlaid with a 2x2 grid. The left half of the image shows a complex, irregular structure with bright yellow and cyan regions, indicating high intensity or density. The right half is mostly dark blue, suggesting lower intensity. The top-left corner contains the text 'ABA: 69873463' and the bottom-left corner contains 'MVe'.
