

ABA:70194636

VMH

This image is a fluorescence micrograph of a brain section, likely from a rodent, showing the Ventral Medial Hypothalamus (VMH). The image is divided into two panels by a vertical line. The left panel shows a bright, irregularly shaped region of fluorescence, indicating the presence of a specific marker or protein. The right panel shows a dark, uniform region, suggesting a control or a different experimental condition. The text 'ABA:70194636' is in the top left, and 'VMH' is in the bottom left.
