

ABA:70203417

Pa

This is an astronomical image of a galaxy, likely a spiral galaxy, shown in a color scale from blue to yellow. The image is divided into four quadrants by a white crosshair. The left half of the image shows a complex, irregular structure with many bright yellow and orange spots, indicating high intensity or activity. The right half of the image shows a more uniform, smooth, and dimmer blue structure. The text 'ABA:70203417' is in the top left corner, and 'Pa' is in the bottom left corner.
