

ABA:70539158

CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a complex, convoluted pattern of blue fluorescence, representing the CA1 region. The right half is a solid, uniform blue area. The text 'ABA:70539158' is in the top left, and 'CA1' is in the bottom left.
