Tu

The image displays a celestial body with a distinct vertical division. The left half is characterized by a bright, textured blue and cyan glow, suggesting a highly reflective or active surface. The right half is a solid, dark blue, indicating a smoother or less reflective area. A thin white horizontal line and a thicker white vertical line intersect at the bottom center, marking a specific point of interest. The text 'ABA:70611425' is positioned in the upper left corner, and 'Tu' is in the lower left corner.
