

ABA:71016711

VMH

The image shows a coronal section of a brain, likely from a rodent, with a blue highlighted region in the left hemisphere. The brain is centered on a vertical white line, and a horizontal white line crosses it. The blue region is located in the upper-left quadrant, extending from the midline towards the left edge. The text 'ABA:71016711' is in the top-left corner, and 'VMH' is in the bottom-left corner.
