

ABA: 71064176

CPu medial

A brain scan image, likely a PET or SPECT scan, showing a medial view of the brain. The image is predominantly blue, with a central region of higher intensity (lighter blue/white) indicating increased metabolic activity or blood flow. The image is overlaid with a white crosshair, with the vertical line passing through the center of the brain. The text 'ABA: 71064176' is visible in the top left corner, and 'CPu medial' is visible in the bottom left corner.
