

ABA: 71232582

DM

The image displays a coronal cross-section of a brain, rendered in a solid blue color. The brain is symmetrical and centered within the frame. A white crosshair, consisting of a vertical and a horizontal line, is superimposed over the brain, intersecting at its center. The background is solid black. In the top-left corner, the alphanumeric string 'ABA: 71232582' is written in white. In the bottom-left corner, the letters 'DM' are written in white.
