

ABA: 71234693

Pn

The image displays a coronal cross-section of a brain, rendered in a solid blue color against a black background. The brain is symmetrical, with two hemispheres visible. A thin white vertical line runs down the center, and a thin white horizontal line runs across the middle, intersecting at the brain's center. In the top-left corner, the text 'ABA: 71234693' is written in white. In the bottom-left corner, the text 'Pn' is written in white.
