CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a white crosshair. The left half of the image shows a complex, branching pattern of bright blue and yellow-green fluorescence, representing the CA1 region. The right half of the image is mostly dark blue, representing the ABA region. The text 'ABA: 71280682' is in the top left corner, and 'CA1' is in the bottom left corner.
