

ABA:71281147

SCN

The image shows a coronal section of a brain. Two large, roughly circular regions are highlighted in a solid blue color, one on the left and one on the right, separated by a vertical midline. These regions are positioned in the upper half of the image. A horizontal line crosses the lower part of the brain. The text 'ABA:71281147' is in the top left, and 'SCN' is in the bottom left.
