VMH

This image shows a fluorescence microscopy scan of a brain section. The brain tissue is represented by a blue, irregularly shaped area against a black background. A vertical white line and a horizontal white line intersect at the center of the image, forming a crosshair. The label 'ABA: 71307334' is located in the top left corner, and 'VMH' is in the bottom left corner. The blue area shows some internal structure, with a few brighter spots on the left side.
