

ABA: 71486943

VPM/VPL

A brain scan image, likely an axial slice, showing functional activation. The image is divided into four quadrants by a white crosshair. The left hemisphere (viewer's left) shows a cluster of bright yellow and green activation in the posterior region, corresponding to the VPM/VPL area. The right hemisphere (viewer's right) is mostly dark blue, indicating no significant activation. The text 'ABA: 71486943' is in the top left, and 'VPM/VPL' is in the bottom left.
