

ABA: 71495855

Cb lobe

The image displays a brain scan with a blue highlighted region. The highlighted area is located in the lower-left quadrant of the brain, corresponding to the cerebellar lobe. The rest of the brain is shown in a lighter blue color. A vertical line and a horizontal line intersect at the center of the brain, dividing it into four quadrants. The text 'ABA: 71495855' is located in the top-left corner, and 'Cb lobe' is located in the bottom-left corner.
