SPa ventral

This fluorescence microscopy image shows a SPa ventral structure, likely a developing embryo or tissue section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a bright blue, irregularly shaped mass, which is the SPa ventral structure. The right half is dark and mostly featureless. The text 'ABA:71610778' is in the top left, and 'SPa ventral' is in the bottom left.
